Re: The Research Foundation for the State University of New York v. Telluric Labs, LLC, et al.,
Docket 2:21-cv-01898 -JS-SIL (Closed)

Dear Clerk of the Court,

I am the Proposed Intervenor-Appellant in case number 24-153, and I also serve as the principal and acting in-house counsel for Telluric Labs LLC. I am writing to respectfully request the supplementation of the record on appeal with the latest docket activity between January 12, 2024, and June 28, 2024, including filings and transcripts, while preserving the sealed status where necessary.

Additionally, I respectfully request access to the internal codes used to reference pages of the nine sealed documents filed in September 2022 by the former attorney of record, Mr. Postolski, and which do not have the regular ECF No.

If any additional information or documentation is required to support this request, please do not hesitate to contact me. Thank you for your attention to this matter. I greatly appreciate your assistance in resolving this issue.

Respectfully submitted,
